

Carbon Lehigh Intermediate Unit #21

FEEDING TEAM PROCEDURES

SCREENING

Screening referral from IEP team member received by feeding team

Feeding team contacts parents to inform of screening and conduct brief interview

Screening scheduled with classroom staff and completed

Feeding guidelines reviewed with parents and other IEP team Members (includes classroom staff and classroom OT and SLP)

If the informal screening determines that a feeding evaluation is warranted, the feeding team will ask the IEP team to submit a PTRE and Feeding Team Evaluation Referral

FEEDING EVALUATION

PTRE and Feeding Evaluation Referral received from IEP team (feeding case history, consent for release of medical information, PTRE submitted with Referral)

Feeding evaluation scheduled and IEP team members informed of date

Physician contacted if additional medical information required

Feeding evaluation report/SDI's sent to parent and IEP team members

Re-evaluation/IEP meeting conducted

Training for classroom/support staff and parents conducted/feeding plan reviewed and signed

Feeding plan initiated and monitored by classroom OT and SLP

Feeding Team follow-up contact with IEP team to review effectiveness of feeding protocol implementation

Helping Children Learn
