

# ELA Instruction

## Professional Growth Opportunities

### Supporting Literacy in the Middle Levels and Beyond

Struggling readers are struggling humans.

In this TWO-day series, teachers will explore how to seamlessly enhance their content area instruction to support literacy growth within the “reading to learn” grade levels. This training supports Structured Literacy professional learning requirements for grades 4+.

Target Audience: Teachers in Grades 4 and Beyond

Day 1: October 9, 2024 | Day 2: January 8, 2025

\$50 per session | \$100 total | 12 Act 48 hours

### Text-Dependent Analysis

\$50 per session | \$150 total | 18 Act 48 hours

In this THREE day series, educators will closely examine the components of a TDA; adopt a deeper understanding of the skills that are necessary for students to successfully approach a TDA; explore ways in which those TDA skills can be regularly practiced in the classroom; understand the instructional process of analyzing text and apply it to their own content; experience and create scaffolded lessons that support students in the TDA process; and review student samples to better inform instruction.
